

Krati Agarwal

Full Stack Developer

+91-8273905665 | kratiag322004@gmail.com | Agra, UP | [LinkedIn](#) | [Portfolio](#)

Full Stack Developer with hands-on experience across React, Node.js, Express, and both SQL and NoSQL databases (MySQL, MongoDB). Skilled in translating Figma designs into production-ready, responsive interfaces, and comfortable owning features end-to-end — from UI design through deployment and release testing. Continuously learning and growing as a developer.

Experience

Full Stack Intern · Vrutsa Solutions

May 2026 – Aug 2026

- ▶ Built responsive, reusable React components, maintaining consistent UI across devices.
- ▶ Designed UI screens and logo assets in Figma, translating designs into production-ready React components.
- ▶ Shipped frontend features, resolved bugs, and supported deployment on a live web application through Git-based workflows.

Counselling Trainee · LawSikho (Addictive Learning)

Feb 2026 – Mar 2026

- ▶ Guided prospective students on career programs and assessed individual profiles.
- ▶ Managed CRM follow-ups and mentorship scheduling in a target-driven environment.

Projects

CareerGenie – AI Career Platform

React · Node.js · Express · Firebase · LLM APIs

[Live Demo](#) | [GitHub](#)

- ▶ AI-powered platform for interview prep, resume analysis, and career guidance.
- ▶ Integrated LLM APIs to generate interview questions and evaluate answers in real time.
